

# IT'S ALL IN THE DETAIL 2

## DINING ROOM RECESS SEATING AREA

This piece was designed to fill a space that would usually be furnished with a sideboard, a couple of lamps and possibly a mirror. We wanted to try something different that would work from various angles in the room.

### 1 SKETCH

#### DOUGLAS FIR FRAME

The richness and variation in the grain of the timber comes through in the width of the frame.

#### MIRROR

Mirror gives a glimpse of the image from the kitchen area.

#### UPHOLSTERED CUSHION PAD

Cushion pad upholstered in same fabric used in adjacent sitting room to give consistency of colours and textures.
